Normality is coming: the criminals are going to jail

We got insight into their hidden weakness: they are LUSTdamagemakers and a large number of them belongs to the LUSTmurderers. We use this knowledge, grab the TOP-criminals, convict them and break up the criminal power system from above.

Very important is to accompany these activities with speaking pictures and photos as here.

Normalität kommt bald

Wir haben die große Schwäche der deep-state-Mitglieder erkannt. Es sind LUSTschadenmacher und zu einem guten Teil auch Lustmörder. Das nutzen wir, greifen uns die TOP-Kriminellen, überführen sie und brechen so das Verbrecher-Machtsystem von oben her auf.

Ganz wichtig ist, diese Aktivitäten mit sprechenden Bildern und Fotos zu begleiten, .siehe oben!

On 18.3.2019 Trump officially established a space-force. Why?

Hinter einer Nebelwand von Wetterballon-Lügen schaffte eine Abteilung der US-Army 1957 bei Roswell abgestürzte Ufos und umgekommene ETs, 3 Fuß gross und von Menschengestalt, in ein geheimes Labor.

Eines der Ufos war wenig beschädigt. So konnten Fachleute studieren, wie Ufo-Technik funktioniert. Es gelang, Ufos nachzubauen.

“Hurra!” könnte man meinen, “Nun sind wir ab von Straßenbahnen, Zügen und Autos und umständlichem Strassenbau. Nun können wir uns in Ufos bewegen!”
Aber weit gefehlt. Denn die bergende Abteilung war unterwandert von Glatthaar-Juden = Khasaren. Diese gaben ihren Fund nicht durch an die US-Regierung, sondern an den geheimen König des eigenen Khazaren-Hunnenvolkes, den Banker und Milliardär David Rockefeller. Der entwickelte eigene Pläne :
In einer grossen Ufo-Flotte sah er die ultieme Waffe der 4%-Gruppe, um die 96%-Gruppe normaler Bürger zu unterwerfen. Als ET's verkleidet wollten die Hunnen in Ufos auftauchen und angreifen. Werher von Braun wusste davon, brach auf seinem Sterbebett das Sprechverbot und warnte vor dieser Falle.
Was die MSM auch verschweigen: Trumps Soldaten haben die geheime UFO-Angreifer-Flotte der Zionisten in Überraschungsschlägen größtenteils vernichtet. Diese Gefahr besteht nicht mehr.

Berichte von früher über negatives Verhalten von ETs können getürkt sein. In den Nachbau-UFOs sassen Lustschadenmacher vom Hunnenvolk und trieben grausamste Lustspiele. Hochentwickelte Kulturen von anderen Sternen, mit riesigem Entwicklungsvorsprung, verhalten sich uns gegenüber in der Regel ethisch korrekt, sind friedliche Besucher.

Wie kann man das gestörte Verhalten der Hunnen wissenschaftlich erklären? Seit 2017 hat die Wissenschaft die Antwort: Die Hunnen sind eine 4%-Gruppe mit einem mutierten Gen, das sie so böse macht.
De Hunnen zijn een 4%-groep met een gemuteerd gen, dat hen zo kwaadaardig maakt.
The Huns are a 4%-group with a mutated gene, making them so malicious.

Das Khasarenvolk mit Ursprung Kaukasus unterwanderte Europa und die Neue Welt, Amerika. Seit 1897 (Zionisten-Kongress in Basel) greifen sie planmäßig mit Guerrilla-Armee von innen an. Doch inzwischen kennen wir ihr Geld-Macht-Satanisten-Imperium mit der Gewohnheit von Kindermord als Lustspiel der abartigen Geister mit Hirnabweichung – umgedrehte Lust, Lust an allem Negativen – in allen Einzelheiten. Unsere Forscher haben die letzten Puzzelstücke zum schliessenden Bild gefunden. ppp-disorder, ihre Hirnabweichung, ist erforscht. Jetzt noch die Heilung

www.machtkampf.jaaaa.net Monster-Menschen auf Verlierer-Straße.
Wir sehen sie als Opfer ihrer ppp-Hirnabweichung. Sie heilen bedeutet die Welt verändern. Genau das haben wir vor. Nicht ausgeschlossen ist, dass es einfach zu machen ist: ihr ppp-Anfallsprogramm stilllegen. Wenn das nicht mehr befiehlt, böse Streiche zu spielen, dann benehmen sie sich normal, dann sind sie – sie persönlich – geheilt. Weil erblich, können ihre Kinder die Krankheit doch bekommen. Also muß man diese auch wieder behandeln. Mit neuester Technik kann man in der Erbbahn im defekten Chromosom das defekte Gen herausschneiden und durch das normale ersetzen. Doch ist das noch eine schwierige Sache, die zur Zeit nur wenige

Spezialisten beherrschen. Immerhin, das läßt hoffen für die Zukunft.

Wer Möglichkeiten sieht, bei der Beseitigung der enormen Gefahr mitzuwirken, durch Spende etwa an die GbR "Baenk" und "Baenk-Sabotinno" (re-animieren von sabotierten Innovationen), der spreche uns an via

Killer-game, prepared by 15 years of chemtrails

Killer-game of the killer-people RoRo with hereditary drive to kill and to enjoy it.

Slow-Motion-Murder-Activities with nano-particles, intruding in our lungs since more than 15 years and accumulate.

War-weapon Chemtrail in WW3. 2Components-weapon together with 5 G-Radiation.

The Nano-Mirrors from Alu-foil make run dangerous 5G-rays criss-cross through the body, lengthen the way through the tissue with factor 100, damaging the DNA dramatically fast.

Without great protests the group could apply weapon-component 1, the nano-mirrors, during 15 years and hit at least 3 billion people. We all have millions of mini-mirrows in our body. The deadly effects come with 5 G added. If the hereditarily coined killers, proceeding maliciously, succeed to x-ray us with 5G fromout towers and fromout satellites (30.000 satellites are planned), then they can produce depopulation and

conquer the earth. Only before this background the enormous investments in 5G and in spraying day and night can be understood.

Allways remember: 5G and chemtrails are interconnected. They are the both components of a weapon-system.

Prevent 5G : Check the intentions of suspicious ´guerrillas´ with MT (Memory Test, www.memory-test.jaaaa.net), and win WW3 ! You have the right to defend yourself against this direct aggression. Aim on the aggressors! Aim on bringing them via our honest police into jail!

TOP-Criminals of the LUSTdamagemaker-worldcommunity

These two cooperating LUSTdamagemakers, LDM-Guerrillas, LDM-Trojan-Horses **Walter Orenstein and Julie Gerberding, TOP-people of CDC, supported by thousands of invisible LDM-hands**, have ruined the lifes of 100.000s of children willingly by adding selected poisons to the BMR-vaccines, damaging the brains of healthy children, transforming them into Autism-children, making their lifes and that of their parents a hell.

That is punishment of a sleeping/unaware society, letting big groups of LUSTdamagemakers work in power positions in power organs, having built up big guerrilla police groups, swimming in the normal police as fishes in water, having buildt up big guerrilla judge groups swimming in normal law courts as fishes in water, having built up big guerrilla groups of parliament members, swimming in parliaments as fishes in water, trying to strengthen the positions and to support the plans of the LDM-worldcommunity (more money in this direction) and to weaken the positions of the citizens (more taxes on citizens to pay these plans), having built up big guerrilla groups in academic and science bodies, TUs, Universities, swimming between normal members as fishes in water, having built up big guerrilla groups of fake-controlers, swimming in normal control organs as the CDC as fishes in water.

The vaccine-children-tragedy and further ones (degeneration-tragedy by DEGE-food, ...) are punishments of society for sleeping, not doing any strong test as the Memory-test (www.Memory-Test.jaaaa.net) to filter out hereditarily pervers people, looking for fun by playing bad pranks, in USA, in Europe, everywhere, looking for LUST by damaging others severely. See the fun-faces of Orenstein and Gerberding. See the fun-mouth! Often LDMs can't control their mouths sufficiently. Step by step we'll add a long list of talk telling educational photos of LDMs.

The name xxxstein (Goldstein, Silverstein [9/11 Twintowers], Eisenstein, ...) is a strong hint (no 100%-proof) to being descendants of the Killer-Attila-Huns from Khasaria /Kaukasus. Societies, unable to learn, even unable to use known knowledge (Stein-knowledge), will be punished by nature severely.

To punish convicted LDM-criminals / Trojan Horses for allready committed crimes as Trump did (see www.A.jaaaa.net , (LDM Bush and LDM-LUSTmurderer George Soros punished), is one thing. That is already progress. To get grip on Trojan Horses, still active now and prevent more damage, is the other thing, Trojan Horses, active now with Slow-Motion-Murder-Acivities. 5G, chemtrail-production, poison-vaccination-program (an army of LDM-doctors collaborating!), food-poisoning-program, are part of the cascading depopulation-program.

We should react fast on the new 5G-attack of the LDM-worldcommunity, not tolerate any 5G-antennas on roofs/towers and filter out their Trojan Horses in power organs, worldwide.

It's not impossible. It's not difficult. It's easy. Science has prepared everything needed to do it.

First step: making Trojan Horses in power organs publicly known via photos of them and written below
„ LUSTdamagemaker-assumption,
Trojan.Horse-Assumption. Come to the Memory-Test !“
