5G is high risk, dangerous, unacceptable

5G is a weapon of the criminal LUSTdamagemaker-worldcommunity with

about **800.000 LDM-guerrillas** in The Netherlands,

about **4 million LDM-guerrillas** in Germany,

about **15 million LDM-guerrillas** in USA and

about **300 million LDM-guerrillas** worldwide, **busy with WW3***

against sleeping nations, using sophisticated 2-components-weapons (f.i. chemtrail-Nano-Alu-mirrors + 5G-radiation), many LDM-guerrillas sitting in power organs of nations, secretly intruded, **controlling** the money (as bankers), the economy **via** Multinationals, the MSM-Lie-Media **via** ownership, property of their billionaires, and politics **via** Trojan Horses in political parties, typically becoming cartel parties, working together, excluding citizen-parties from power, and **via** Trojan Horses in governments, often playing vicious pranks, vicious games as 9/11 (see Bush-photo in [A.jaaaa.net](#)), and as the MH17-killergame, and as the Appeldoorn car-game, the driverless killer-car **steered by 5G-radiation** (Karst Tates was a **pop**).

Stop to believe in BIG Brother! Start to believe in Sick Brother!

In LUSTdamagemaker-Brother! More than a Sadist. **Often a LUSTmurderer also!**

And a guerrilla, playing normal to avoid punishment. In LDM-brains the playing-pranks-attack-program of children is running, the ppp-program, **without the damage-limitation-coprogram: fault 1**, and all the life: **fault 2**. Forcing them to look for weak victims to play pranks, because of fault1 bad pranks. **Big Brother is Sick Brother!**

5G is a murder weapon of the LUSTdamagemaker-worldcommunity **in WW3***.

We should not tolerate 5G-antennas on towers and buildings!

TOP-Criminals of the LUSTdamagemaker-worldcommunity

These two cooperating LUSTdamagemakers, LDM-Guerrillas, LDM-Trojan-Horses **Walter Orenstein and Julie Gerberding, TOP-people of CDC, supported by thousands of invisible LDM-hands**, have ruined the lifes of 100.000s of children willingly by adding selected poisons to the BMR-vaccines, damaging the brains of healthy children, transforming them into Autism-children, making their lifes and that of their parents a hell.

That is punishment of a sleeping/unaware society, letting big groups of LUSTdamagemakers work in power positions in power organs, having built up **big guerrilla police groups**, swimming in the normal police as fishes in water, having buildt up **big guerrilla judge groups** swimming in normal law courts as fishes in water, having built up **big guerrilla groups of parliament members**, swimming in parliaments as fishes in water, trying to strengthen the positions and to support the plans of the LDM-worldcommunity (more money in this direction) and to weaken the positions of the citizens (more taxes on citizens to pay these plans), having built up **big guerrilla groups in academic and science bodies, TUs, Universities**, swimming between normal members as fishes in water, having built up **big guerrilla groups of fake-controlers**, swimming in normal control organs as the CDC as fishes in water.

The vaccine-children-tragedy and further ones (degeneration-tragedy by DEGE-food, ...) are punishments of society for sleeping, not doing any strong test as the Memory-test (www.Memory-Test.jaaaa.net) to filter out hereditarily pervers people, looking for fun by playing bad pranks, in USA, in Europe, everywhere, looking for LUST by damaging others severely. See the fun-faces of Orenstein and Gerberding. See the fun-mouth! Often LDMs can't control their mouths sufficiently. Step by step we'll add a long list of talk telling educational photos of LDMs.

The name xxxstein (Goldstein, Silverstein [9/11 Twintowers], Eisenstein, ...) is a strong hint (no 100%-proof) to being descendants of the Killer-Attila-Huns from Khasaria /Kaukasus. Societies, unable to learn, even unable to use known knowledge (Stein-knowledge), will be punished by nature severely.

To punish convicted LDM-criminals / Trojan Horses for allready committed crimes as Trump did (see www.A.jaaaa.net , (LDM Bush and LDM-LUSTmurderer George Soros punished), is one thing. That is already progress. To get grip on Trojan Horses, still active now and prevent more damage, is the other thing, Trojan Horses, active now with Slow-Motion-Murder-Acivities. 5G, chemtrail-production, poison-vaccination-program (an army of LDM-doctors collaborating!), food-poisoning-program, are part of the cascading depopulation-program.

We should react fast on the new 5G-attack of the LDM-worldcommunity, not tolerate any 5G-antennas on roofs/towers and filter out their Trojan Horses in power organs, worldwide.

It's not impossible. It's not difficult. It's easy. Science has prepaired everything needed to do it.

First step: making Trojan Horses in power organs publicly known via photos of them and written below
,, LUSTdamagemaker-assumption,
Trojan.Horse-Assumption. Come to the EEG-based Memory-Test !“
